>
> (a) the information contained in returns filed by registered political parties or candidates,
>
> (b) anonymous contributions, or
>
> (c) any other matter under this Part.

The chief electoral officer has included the lists of contributors over $250 to registered political parties. This information is public information pursuant to the *Elections Act*.

In addition, this report contains the names of candidates at the 2000 and 2002 general elections who have not filed election financing returns as required by sections 385 and 391 of the Act.
